LIMITED BATCH

TREE TAPPER (6.9% ABV) \$7

A cider fermented with Runamok Maple Syrup, red wine yeast, aged on untoasted oak & infused with dark Belgian Candi Syrup to add rich & hearty characteristics reminiscent of the season & the good maple famers at the sugarhouse.

TULSI (5.5% ABV) \$7

Regional apples, regional herbs. In our pursuit to discover interesting ingredients grown in the Northeast we found tulsi basil. Most commonly known as holy basil, this aromatic perennial has been used for centuries in teas & oils, it also happens to pair well with cider. Grown fresh for Citizen Cider by the good farmers in VT & NY. Celebrate our region & enjoy Tulsi!

BIG JUICY (8% ABV) \$7

An imperial dry cider with VT made apple molasses that was produced from fresh apple cider at Runomok Maple, then blended with sweet cider and fermented to completely dry.

PINE ST. CELLAR SERIES

SUPER FREAK (6.4% ABV) \$7

Just like Rick James, we like funky music, oh & fermentation too. This cider was fermented to dryness with brettanomyces yeast. This funky style has complex fruity notes giving it a truly unique profile. Enjoy & get super freaky!

CHAMOMILE (6.0% ABV) \$7

Apples and flowers, a common combination in nature, so why not in cider? The delicate flavor of dried chamomile flowers complements our fresh apple cider blend. Lightly sweetened with honey from Champlain Valley Apiaries makes this ciders profile light, refreshing & balanced.
